Spring 2012

On Thursday, May 31, a beautiful, breezy summer Hawaii evening at the landmark Royal Hawaiian Hotel, the top-producing agents and their guests from around the State of Hawaii, including over forty of Oahu's real estate agents, were treated to an evening of recognition and celebration.

For the past several years, one of Hawaii's most prominent magazines, *Hawaii Business Magazine*, has honored the Top 100 Realtors in the State of Hawaii. Sponsored by Honolulu Home Loans, The Hawaii Business Top Realtors list is the only objective public acknowledgement of highest performing agents in the state. This select group and their families were treated to this exclusive gala with cocktails and dinner, as well as live entertainment performed by Taimane Gardner. Honored guests included Mr. Randy Piltz from the Maui's Mayor's office and Jim Fulton from the City and County of Honolulu.
