

TESTIMONIALS:

I can't thank you enough for the impact you have had on my life in the past couple of years. You really are the best! I have total trust and confidence in you. You have strong character which has shown itself more than once...I wish that all real estate/business/life transaction would be so fruitful. Thank you not only for continuing to be so detailed and persistent but for treating me with respect as a friend. SG

Cindy went out of her way to anticipate our needs and questions. Once the transaction was in escrow, Cindy closely monitored the documents and progress of the escrow. Cindy has a great combination of warmth and professionalism, and I know that I can count on her knowledge of the local real estate market. MM

Cindy is a star! She continues to keep us apprised of what's happening in Kailua. She goes way above and beyond the call of duty—best agent I've ever worked with—off the charts excellent! GA

Ms. Nash is tireless, responds to every call or request promptly, is a creative thinker, a problem-solver and deserves every cent she gets. We will always use her and will refer everyone we know who needs a Realtor to her. WG

Cindy constantly kept in touch with us to keep us informed and gave us helpful advice. She held several open houses and personally followed up with phone calls to Realtors of interested buyers. She is very friendly and efficient and works hard to excel at her job. Not only did we enjoy working with an extremely professional Realtor, but we also felt that we gained a friend in the process. Cindy was excellent to work with, and completely exceeded our expectations. Beyond getting us under contract in our desired property within a few days despite a pending offer (and showing us a bunch of other listings in the process), Cindy helped us buy some of the furniture from the sellers. It was extremely helpful to say the least, and very thoughtful, too. She was a pleasure to have on our side. We highly recommend Cindy without reservation. RJ

Cindy is probably the most efficient and positive person I have ever met! She was extremely patient, understanding and responsive to our needs. She demonstrated an outstanding knowledge about real estate and was a joy to work with. She gave excellent advice, had a knack for real estate and placed our desires above all else. KS

Wow! We did it—bought a home, sight unseen, from 2,500 miles away! Being that we are so far away, we had to trust that the people working for us had our best interest at heart. I have to say that your perseverance and the fact that you were always readily available to us, put our minds at ease more than you know and gave us great confidence in you. On behalf of our entire family, I'd like to thank you from the bottom of my heart. LM
