Dear Prospective Client,

Thank you for inquiring about our property management program. Stanley Property Management has been managing leased property throughout The Brainerd Lakes Area.

What can we do to make your experience as a landlord a pleasant and rewarding one?

1. We qualify tenants based on standard income procedures, and a credit report is done for every applicant.
2. We conduct annual inspections of your property to ensure that the tenant is living up to his/her end of the lease and before a new lease is signed.
3. Our lease is probably the tightest one in the area. We have incorporated many real experiences into our lease, so that tenants do not have the opportunity to abuse their privilege of renting your property.
4. We take prompt action against tenants who do not pay, or who do not maintain your property. Our goal is to get you fair market rent from good tenants, and when that does not happen, we will take swift action.
5. We will keep you apprised of laws which affect your property and your landlord/tenant relations.
6. You will receive a complete accounting of all monies received by us, whether in the form of rent, other fees and late fees. A year end re-cap is sent to you along with a 1099 for your taxes.
7. Your property will be maintained to ensure you continue to receive fair market rent. You will be asked to approve all repairs above certain minimum amount, ensuring your active participation in the management of your property.
8. In all cases, someone will accompany prospective tenants to your property, ensuring that questions can be answered on the spot and in order to point out features and benefits of your property to the prospective tenants.
9. Turn around time between tenants is kept at an absolute minimum. We do our best to have all work performed within six days, ensuring minimal loss of rent to you between tenants.
10. Tenants can be charged in advance for carpet cleaning, move-out cleaning, any applicable pet fees (if you allow pets). In some cases they pay for certain repairs (please refer to our lease for details). The security deposit will equal one month's rent, including non-refundable fees.

11. We will use only good quality repairmen, many of whom have been working with us for many years. Prices are checked on a periodic basis and corrected if out of line with other vendors. We will ask for at least two bids for all major repairs, such as air conditioner, furnace replacement, carpeting or re-roofing.
12. We do a pre-contract walk through to ensure your house is up to city codes for the sake of you and your tenant.

What is your agreement with us?

1. We will ask you to enter into a property management agreement for at least one year, after which a thirty day termination notice is required.
2. We may charge a 50% rent out fee to initially get a tenant in the property. We then collect 10% to 12% of rents & fees collected thereafter. Other management options may be available.
3. We will maintain the current renters that we place into your property until they vacate the property.

The decision as to whether to allow pets or not is yours; we do require a sizable pet fee from the tenant if you will permit pets, and it may or may not be non-refundable. Decisions about rental price range and length of lease is yours to make as well.

We hope that this has convinced you that the property management program at Stanley Property Management LLC, is the best, and we look forward to working with you. Please feel free to call us with any questions you may have, and we shall be calling you in the near future to discuss your plans.

Sincerely,
