The cabanas, nestled among the dunes, are framed by low privacy walls of stone with clear views of the sea.

ACTIVATE YOUR OUTDOOR LIVING

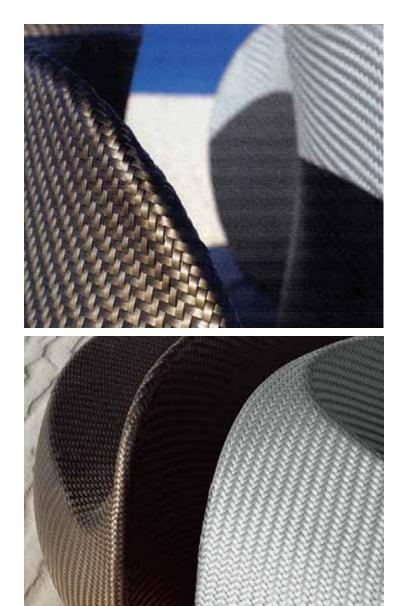

A sensuous undulating 2100 square feet of terrace wraps each floor in a shady walk around veranda that protects the glass from the sun as in traditional Florida homes. The walk around veranda shapes the architecture, Glass balustrades form horizontal bands which change from floor to floor thus creating the sculpture that is Regalia.

Attendants serve a selection of refreshments throughout the day together with all the services that make this a perfect beach haven.

NATIVE FLORIDA LANDSCAPE
