

Stage. Store. Move. And save.

PODS is a smarter way to help you sell your home—and, after the sale, move to your next one. It's easy, a PODS® container can help you clear clutter for staging. So prospective buyers see more of your home and less of what's stacked up in it. Our process is simple: we deliver a container, you fill it up, then keep the container at one of our many secure Storage Centers. After the sale, PODS can deliver the container to your new home.

How PODS works:

We deliver.

We deliver an empty container to you at your convenience.

You pack.

Fill the container your way, at your pace, and call us when you're ready.

We store.

We can store your container in one of our secure Storage Centers or on-site.

We move.

Or, we'll come pick up your container, and drive it across town or across the country.
